

Homeward Bound Strategy Map 2017-2020

Visionary Goal:
Equip a 1,000-strong, visible, global collaboration of women with a science background to lead, influence and contribute to policy and decision making as it informs the future of our planet within 10 years.

Our Ambition

Manage the planet as our home

Realise the potential of every Homeward Bounder to make a difference

Mobilise a global collaboration of women with a science background

Benefit the communities in which we live, work and serve

Stakeholder Expectations

Participants

“I am willing and able to lead”

HB Community

“We are stronger together”

Organisations and Communities

“We are taking actions with impact”

Success Drivers

HB Experience

Deliver an inspiring and empowering experience

Facilitate an enduring leadership capability

Foster networking and collaboration

HB Community

Build a self-sustaining HB community to support leadership development

Coach and support the next coterie, support the HB participants and their families

Collaborate towards impactful outcomes

HB Impact

Influence policy and decision making for the greater good

Build strategic alliances

Drive visibility and amplify our collective voice

Enablers

HB Foundation

Establish a credible sustainable governance

Continue to attract women willing to shape our future

Foster collaborative learning and development

Utilise technology to enable our goals

Ensure administrative capacity to manage the process

Be financially self sustaining
