VALUES SUPPORTING BEHAVIOURS TO ENSURE ETHICAL LEADERSHIP AT ALL LEVELS AND IN ALL CONTEXTS

STRATEGIC OBJECTIVE

SUPPORTING BEHAVIOURS

COLLABORATIVE	<ul style="list-style-type: none">- we work together to common cause- we take on leadership roles and accept responsibility- we actively seek input (ideas and expertise) to advance what we do- we are decisive when the process requires- we are collectively accountable for the outcomes
INCLUSIVE	<ul style="list-style-type: none">- we include diverse voices- alumnae and our broader network can help shape Homeward Bound- we enter dialogue inclusively to generate ideas and solve problems
LEGACY-MINDED	<ul style="list-style-type: none">- we always think long term - 10, 50, 100 years- we build a sustainable initiative- we have a concrete succession plan
TRUSTED WITH ASSETS (MONEY AND PEOPLE)	<ul style="list-style-type: none">- our word is our bond- we treat every part of Homeward Bound as if it were our own- We treat people as our loved family- we value money as the lubricant of possibility

It was noted that some people weren't in attendance at the faculty weekend.

It is important that we focus on building trust and alignment in the team on going and that we continue to integrate the original approach to Homeward Bound with the input of more recent faculty and design approaches, i.e. have we done for ourselves what has been done with and for participants?

Also a general sense that we should do a review/overhaul of the values in keeping with who we are now.

STRATEGIC OBJECTIVE	DEFINITION AND MEASURES	INITIATIVES

<p>Participant/Alumnae “We are visible leaders having impact”</p>	<p>This means that we are not just talking about change but we make the change and our actions create impact. We have clarity on our strategic outcomes and track them (MEL). Everything we do is contextualised by the need for global action together, where many people lead (a polyocracy). We live the call to action from “fierce urgency and stubborn optimism” and we lead by example, integrating the individual and community experience, so the call to action is heard by everyone.</p>

Build a consistent, accessible and constantly updated channel of promotion (blog, webinar, presentation) Create internal HB function (vision, principles, structure) to assist and support individuals or collectives to organise self promotion – under common principles and guidelines (links to marketing supporters, HB champions, commercial support) of what is IN and what is OUT of scope for support.</p>
<p>Internal: Elevate the visibility and the credibility of HB – what we stand for and how we contribute</p>	<p>This means that we strategically and systematically use media to create a sustained call to action and position Homeward Bound’s role in better managing the planet as home. We leverage and optimise the platforms, people and opportunities to have global reach and influence. Our messaging matches our increasingly impactful voice and is ‘on song.’</p>	<p>Acquire external or build internal branding and marketing capability Obtain internal event management or promotion capability to support global HB alumnae initiatives Link branding , promotion and marketing skills to leadership program to ensure skills taught are aligned with HB visibility strategies.</p>
