2022**

ENGAGEMENT ROADMAP OVERVIEW

ENGAGEMENT ROADMAP - May

MAY 4

Survey of HB5 & HB5 faculty

A trial survey by HB5 alumni to gauge what HB5 would like to do in the next year, while they wait for the opportunity to voyage to Antarctica.

MAY 6

CEO Update

The CEO Updates will be sent approximately mid-month and include actions and updates on the organisation and the engagement process.

Engagement with the Convergence on roadmap

This engagement is to get feedback on the Antarctica voyages and Global intensive engagement roadmap.

ENGAGEMENT ROADMAP - **May continued**

May 21

Homeward Bound Board meeting in Melbourne

Board culture and values workshop discussing the strategic direction of Homeward Bound. All eight members of the Board will meet face-to-face in Melbourne in this one-day workshop.

Week commencing May 30

Survey of HB6 and HB7 & relevant faculty

These surveys will be based on the earlier trial survey of HB5 and will gauge what each cohort would like to do in the next year, while they wait for the opportunity to voyage to Antarctica or go on a Global intensive meet-up.

ENGAGEMENT ROADMAP - June

June 15
CEO Update

June 20/21
First Antarctica/Global intensive meet-up engagement sessions, for HB5, HB6 & HB7

These meetings (AM and PM sessions for each cohort) will provide the results of the surveys of each cohort, as well as an update on the planning for the Antarctica/Global intensive trips. Information will be provided prior to each session. Considerations on when and where to travel will incorporate the results of the surveys and include the global pandemic (new variants and travel restrictions), equity of travel for as many participants as possible, and advice from shipping companies.

June 27
Board meeting

As we receive feedback from participants and alumni, the CEO will provide updates to the Board via bi-monthly board meetings.
